

Black Star Media - "Oscar Micheaux Grass Roots Film Distribution Network" Agreement

Tier One

Once you have purchased at least one copy, you qualify to be a Referring Member and will receive a unique PayPal code which can be embedded within a web page or shared as a link for social networks and emails. Each purchase from your link at \$19.99 will be fulfilled by my office (payment processing & shipping) for which you will receive 20% of the purchase price, or \$4 per unit. If that order is for 2 or more units, you will get \$8 or more in compensation. Checks will be mailed at the beginning of each calendar month.

Using this compensation rate, if a person sells 100 units, they will receive \$100 as compensation.

Tier Two

For those who purchase 10 to 49 copies of Chewicide, the Movie, they get the wholesale discount of 40%, and will be responsible for the shipping cost for the bulk package, which usually will run upwards from \$13 for 10 units. This brings your cost per unit to 12.00 and can thus yield a return of \$8 when you resell them at retail.

Using this compensation rate, if a person sells 100 units they will profit \$800 minus their postal charges.

Tier Three

For those who are able to purchase the DVD's in quantities of 50 and above, the wholeseller's discount is 50%, plus you will be charged postage. This will bring the overall cost of postage down to the lowest rate per unit and you can thus make \$10 per resale.

Using this compensation rate, if a person sells 100 units they will profit \$1000, minus their postal charges.
